Dosbarth Cleddau and Dosbarth Penfro

Week Ending: Friday 13th November

**Another great week in Cleddau and Penfro! In maths we have been working on subtraction using the column method. In literacy we have started looking at information texts and how they are organised. We thoroughly enjoyed working in teams to make our own welsh sports star inspired board games. Some fantastic games and great team work! Have a look on twitter to see photos of our work.**

**Tank you for your support for our children in need fundraiser this week - the children enjoyed brightening the classroom with their rainbow outfits!**

- Our PE days have changed. They are now Monday (indoor gymnastics) and Thursday (outdoor games).
- Passwords - your child should have a copy of their passwords for the learning platforms we use - hwb / google classroom, active learn, spelling shed and read theory. If you don't have a copy of these at home please let us know.
- We are regularly using google classroom as part of our work in class - this also provides a way for your child to be able to share some of what they have been learning in school with you at home.

**Have a lovely weekend,**

**Mrs. Davies, Miss Bale, Mrs McCarthy and Mrs Lightfoot-Paine**
