Dosbarth Penfro a Dosbarth Cleddau

Week Ending: Friday 19th October

Annwyl Rhieni/ Dear Parents,

This week, in Dosbarth Penfro and Dosbarth Cleddau we have been using the expanded column method to add 2 and 3-digit numbers. We have also been using our problem solving skills to solve word problems involving addition and subtraction. We have also 'flipped our learning' and made explain everything videos to teach each other how to use the expanded method to add. These will be a good reminder later on in the term when we move on to different maths concepts and methods. In our topic we have been comparing low fat products and investigating whether they really are the healthiest option. We have been using our measuring skills to find out how far our food travels. In literacy we have continued writing our journey through the digestive system story by making notes, adding wow words and powerful verbs. A busy week of learning in Year 4-Da iawn pawb!

Class Information

Please can we ask that your child comes to school with a bag suitable for carrying books, letters home and their snack. (Separate to their lunch bag) Please send in named PE kit as PE is on a **Tuesday** and a **Thursday** and will take place whatever the weather. Could we also please ask you to check the school jumpers that have come home as we have a few that have been misplaced.

If you haven't already done so please can you send in the show of interest forms and for the Manor Adventure trip and the spelling shed permission slips. If you need another copy please let us know.

Home Learning

Please remember to read school reading books and sign the yellow reading record. This terms homework tasks were sent home at the beginning of term if you have any questions about the grid please pop in to speak to us. We have had some fantastic examples returned to school already this term.

Also don't forget you can follow us on twitter @ysgolyddraig #penfro #cleddau #y4

Hope you have a lovely weekend
Mrs. Crowe and Miss Bale
