## This week...

**Croeso i Ddosbarth Coch! Welcome to Dosbarth Coch!**

The children returned from the long summer break fully refreshed and ready to begin a new school year! As well as looking forward to spending time with 'old' friends, we had the great excitement of five new friends joining our class on the first day! Throughout the week we have spent time learning new routines, exploring our classroom environment and getting to know one another through a range of fun learning activities based on a story called, 'Jake's First Day'. We have certainly had a busy first week back in school!

## 'My Summer Holiday' Envelopes

Before the summer break, the children were given envelopes to collect 'mementoes' of their summer holiday to bring in to school. The purpose was to help support a 'show and tell' type discussion activity planned for the first week back in school. Please would you return the envelope next week to enable the learning activity to take place successfully. Thank you!

## Home Readers

Please could all children's book bags, books and Reading Records be returned to school as soon as possible. There are a few folders outstanding.
