This week...

We have had a lovely start to our new school year and have enjoyed seeing old friends and meeting new friends too. We have all settled into the school routine and finding our way around our new classroom. We talked about our feelings and how it feels with a new start and we made our own "Forky" and "Spoon" characters, inspired by the movie "Toy Story 4". We have particularly enjoyed having our own trays to store our things! We have started to develop our classroom displays and have made faces and jigsaw pieces to show how we all fit together as a new class. We have interviewed each other and shared our likes and dislikes and enjoyed getting to know each other. We have worked on numbers and phonics in our groups and enjoyed playing throwing and aiming games in our outdoor area. Our topic for the Autumn term is "Street Detectives" and next week we will be mind-mapping what we already know and would like to learn during our topic. We have made our own characters to play with in the small world area that we are developing together outside. We have enjoyed a fun, busy and happy week as Dosbarth Fonmon!
