This week...

We have had a wonderful beginning to our new school year in Year 2. We have all settled back into the school routine well and have made a good start to our learning.

Our topic for the Autumn term is Beachcombers/Land Ahoy and we have been mind-mapping what we already know and would like to learn during our topic. We have started to develop our topic display by mixing colours to create different shades of blue for the sea. We also read two stories this week 'Only one you' and 'You be you' with a message about being unique and special. We thought about why we were special and created our own colourful fish to add to our display.

We have impressed our new teachers with our knowledge of place value whilst we have been ordering 2-digit and 3-digit numbers. We also created our own 100 square by sequencing the different columns.

We have shared our holiday news with our friends and teachers and have enjoyed writing, drawing and building our favourite Summer memory. We also drew self-portraits of ourselves. What a busy first week we have had!
