

**Week Ending:
Friday 5th October.**

Reception class news at Ysgol y Ddraig

Reminders

**Class library trip-
We have been invited to visit the library on Tuesday 2nd October by our local librarian Kathy. There will be a shepheress and sheep during the visit that will be telling the class fantastic stories. Could all children's consent form slips be brought back into school by Friday. Thank you 😊**

**Children's achievements-
On Tuesday, we have a Foundation Phase assembly where children get the opportunity to share any medals, certificates etc with the rest of the school. If your child has something you would like celebrated, please bring in ready for the Tuesday assembly each week, we would love to share them!**

This week...

In mathematics, we have been matching objects to numbers. We have been working with our friends to identify numbers and tried hard to find the correct amount of objects to match a number. In Literacy we have been making name rockets, we looked how many letters in our name, the sounds we say and say and finally built it together to produce fantastic rockets. We performed our Harvest song and we were incredible!! We sang with big, loud voices and impressed all of Foundation Phase. To hear our song, ask us to sing it to you all at home. We also learnt about Harvest, explored healthy and unhealthy foods and created our own healthy lunchbox by printing healthy food.

Thank for your continued support.

Miss Whelan & the Reception team 😊

Dosbarth Ogwr suggested home learning tasks (Autumn).

Topic- What happens when I fall asleep...?

Here are some suggested home learning tasks that you are welcome to carry out with your children at home. Your child can carry out the tasks at their own pace with family and friends.

Enjoy! ☺

<p>Play games with set 1 sounds (cards will be sent home).</p> <p>Try and identify the sounds and blend your sounds together to make words.</p>	<p>Play a game of I-spy using the sounds learnt that week. Can you recognise the initial sound at the beginning of the word?</p>	<p>Learn and listen to a range of bedtime lullabies. Practise singing the songs and rhymes.</p>	<p>Count objects you see, touch count objects, recite numbers in daily routines.</p>
<p>Can you build a rocket to take a journey to the moon using lots of different materials- cardboard boxes, foil etc. Take a picture and bring it in to class to show your friends.</p>	<p>Draw the objects that help you go to sleep. This might include a special teddy bear, a night light, blanket, bedtime story, pjs. Can you label the items?</p>	<p>Create a star using salt dough and decorate. Hang it above your bed to help sleep.</p>	<p>Read your books at home with family and friends- talk about the pictures and what they show is happening in the story.</p>
<p>Write numbers 1-10 in a range of materials and using a pencil.</p>	<p>Build a den and use torches to create light. Can you create shadows using the torch?</p>	<p>Build up your independence- try putting your coat on and zipping it up, tie your shoelaces, helping to make your food, getting dressed on your own.</p>	<p>Develop your pencil control to help form sounds/ letters in a range of materials and using a pencil.</p>
