

Week Ending:
Friday 26th October.

Reception class news at Ysgol y Ddraig

Reminders

Remembrance day-

To help us remember this year, the whole school will be making poppies out of plastic bottles and creating a remembrance wall in the school grounds. We ask that every child brings in a plastic bottle that they can use the first day back.

Thank you.

Parent Consultations-

Parent consultations have now been emailed out for parents to book on. The dates are Tuesday 6th/
Wednesday 7th November. We look forward to seeing you 😊

This week...

We have been finishing our work on our class story 'How to catch a star'. We have performed our story in a physical literacy activity where we create and use travel movements to rein-act the story.

In Literacy, we have been working hard to consolidate our sounds and have begun to explore red words (HFW) and understand what they are. Red words word walls will be sent home after half-term for you to support your child at home 😊

In Mathematics, we have been recognising numbers and have started to add quantities together.

Have a fantastic Halloween and thank you for a lovely first half-term.

Thank for your continued support.

Miss Whelan & the Reception team 😊

Dosbarth Ogwr suggested home learning tasks (Autumn).

Topic- What happens when I fall asleep...?

Here are some suggested home learning tasks that you are welcome to carry out with your children at home. Your child can carry out the tasks at their own pace with family and friends.

Enjoy! ☺

<p>Play games with set 1 sounds (cards will be sent home).</p> <p>Try and identify the sounds and blend your sounds together to make words.</p>	<p>Play a game of I-spy using the sounds learnt that week. Can you recognise the initial sound at the beginning of the word?</p>	<p>Learn and listen to a range of bedtime lullabies. Practise singing the songs and rhymes.</p>	<p>Count objects you see, touch count objects, recite numbers in daily routines.</p>
<p>Can you build a rocket to take a journey to the moon using lots of different materials- cardboard boxes, foil etc. Take a picture and bring it in to class to show your friends.</p>	<p>Draw the objects that help you go to sleep. This might include a special teddy bear, a night light, blanket, bedtime story, pjs. Can you label the items?</p>	<p>Create a star using salt dough and decorate. Hang it above your bed to help sleep.</p>	<p>Read your books at home with family and friends- talk about the pictures and what they show is happening in the story.</p>
<p>Write numbers 1-10 in a range of materials and using a pencil.</p>	<p>Build a den and use torches to create light. Can you create shadows using the torch?</p>	<p>Build up your independence- try putting your coat on and zipping it up, tie your shoelaces, helping to make your food, getting dressed on your own.</p>	<p>Develop your pencil control to help form sounds/ letters in a range of materials and using a pencil.</p>
