

Week Ending:
Friday 23rd November.

Reception class news at Ysgol y Ddraig

Reminders

Christmas concert lines-

Children have begun to practice our Christmas concert songs this week 😊

Any lines have been sent home with children this week. We hope you look forward to helping your child learn them 😊

Christmas concert date-

Friday 14th December-
2:15pm.

Active learn school code-

ylfl

This week...

We have been learning about 'nocturnal' animals to support our topic 'What happens when I fall asleep?'. We firstly learnt what the word 'nocturnal' means and then explored what animals are nocturnal. We extended our knowledge further by investigating what each nocturnal animal needs for its own habitat, we created these habitats for the animals in our Forest School.

In Mathematics we have been learning about 2D shapes, the shape names, sides, faces and shapes in the environment. We followed directions to find shapes around the school and then created our own pic collages using the shape pictures we previously took.

Thank for your continued support.

Miss Whelan & the Reception team 😊

Dosbarth Ogwr suggested home learning tasks (Autumn).

Topic- What happens when I fall asleep...?

Here are some suggested home learning tasks that you are welcome to carry out with your children at home. Your child can carry out the tasks at their own pace with family and friends.

Enjoy! ☺

<p>Play games with set 1 sounds (cards will be sent home).</p> <p>Try and identify the sounds and blend your sounds together to make words.</p>	<p>Play a game of I-spy using the sounds learnt that week. Can you recognise the initial sound at the beginning of the word?</p>	<p>Learn and listen to a range of bedtime lullabies. Practise singing the songs and rhymes.</p>	<p>Count objects you see, touch count objects, recite numbers in daily routines.</p>
<p>Can you build a rocket to take a journey to the moon using lots of different materials- cardboard boxes, foil etc. Take a picture and bring it in to class to show your friends.</p>	<p>Draw the objects that help you go to sleep. This might include a special teddy bear, a night light, blanket, bedtime story, pjs. Can you label the items?</p>	<p>Create a star using salt dough and decorate. Hang it above your bed to help sleep.</p>	<p>Read your books at home with family and friends- talk about the pictures and what they show is happening in the story.</p>
<p>Write numbers 1-10 in a range of materials and using a pencil.</p>	<p>Build a den and use torches to create light. Can you create shadows using the torch?</p>	<p>Build up your independence- try putting your coat on and zipping it up, tie your shoelaces, helping to make your food, getting dressed on your own.</p>	<p>Develop your pencil control to help form sounds/ letters in a range of materials and using a pencil.</p>
