

Week Ending:
Friday 30th November.

Reception class news at Ysgol y Ddraig

Reminders

Foundation Phase Christmas trip-

We will be going on our Christmas trip on Wednesday 19th December to Barry Memo to watch Beauty and the Beast. Could all consent forms and payment be in by 7th December. Thank-you!

Christmas concert date-
Friday 14th December-
2:15pm.

Christmas concert costumes-
Could all costumes be brought into school by the 7th December. Thank you in advance.

Christmas post boxes-
To help Christmas cards be sent out this year, we would be grateful if every child could make a postbox (shoe box), you can then post your child's Christmas cards with them during the morning 😊

This week...

This week we have been learning about Money in Mathematics. We have been identifying coins correctly, looking at their values and ordering them lowest to highest in value. We looked at the materials coins are made up of and used those colours to help us do coin rubbings.

In literacy, we made our very own initial sound picture dictionary. We identified the sounds, found objects in the classroom beginning with that sound, formed them and then recorded.

Keep an eye out on twitter to watch our dictionary come to life!

Thank for your continued support.
Miss Whelan & the Reception team 😊

Dosbarth Ogwr suggested home learning tasks (Autumn).

Topic- What happens when I fall asleep...?

Here are some suggested home learning tasks that you are welcome to carry out with your children at home. Your child can carry out the tasks at their own pace with family and friends.

Enjoy! ☺

<p>Play games with set 1 sounds (cards will be sent home).</p> <p>Try and identify the sounds and blend your sounds together to make words.</p>	<p>Play a game of I-spy using the sounds learnt that week. Can you recognise the initial sound at the beginning of the word?</p>	<p>Learn and listen to a range of bedtime lullabies. Practise singing the songs and rhymes.</p>	<p>Count objects you see, touch count objects, recite numbers in daily routines.</p>
<p>Can you build a rocket to take a journey to the moon using lots of different materials- cardboard boxes, foil etc. Take a picture and bring it in to class to show your friends.</p>	<p>Draw the objects that help you go to sleep. This might include a special teddy bear, a night light, blanket, bedtime story, pjs. Can you label the items?</p>	<p>Create a star using salt dough and decorate. Hang it above your bed to help sleep.</p>	<p>Read your books at home with family and friends- talk about the pictures and what they show is happening in the story.</p>
<p>Write numbers 1-10 in a range of materials and using a pencil.</p>	<p>Build a den and use torches to create light. Can you create shadows using the torch?</p>	<p>Build up your independence- try putting your coat on and zipping it up, tie your shoelaces, helping to make your food, getting dressed on your own.</p>	<p>Develop your pencil control to help form sounds/ letters in a range of materials and using a pencil.</p>
