

Home Learning SUMMER 2019

Dosbarth Caerdydd a Dosbarth Teifi
Friday 3RD May, 2019

- Welcome back! We hope you all enjoyed the lovely Easter break.

We have spent this week finalising some activities based on our Egyptian Pharaohs topic, including:

- Researching facts about pyramids and creating a pyramid book.
- Writing a time travel story, taking us to Egypt. The children used adjectives, similes, a variety of sentence openers and previous work based on suspense and tension to write some really exciting time travel stories.

Other learning that has taken place this week includes:

- Finding fractions of amounts, including increasing and decreasing amounts by fractions.
- Pyramid numbers - calculating missing numbers to complete pyramid blocks.
- Reasoning activities - don't forget you can access a variety of reasoning activities on the HWB website - just type in reasoning activities in the search and then KS2.
- Reading comprehension - children have been reading a variety of texts and answering questions based on inference and deduction. Your child can continue to improve their comprehension skills by using Read Theory at home.
- Participating in some contemporary dance and enjoying the opportunity to watch a contemporary dance performance at the Sherman Theatre.
- Learning about Pentecost and using LEGO to recreate a scene to represent a part of the story.

Next week:

P.E - Wednesday.

Please ensure your child has full, suitable P.E kit in school.

We appreciate your cooperation.

Mrs Crowther and Mr Richards
Mrs Mees
