

Home Learning SPRING 2018

Dosbarth Hafren a Dosbarth Caerffili Friday 8th June, 2018

This week in Year 6 we have been ...

- Calculating best buy offers in supermarkets and comparing prices.
- Writing emotive poetry in response to Picasso's 'Weeping Woman.'
- Using lines and repeated colours to create a piece of Op Art.
- Learning about Isaac Newton's spectrum of colour and investigating how light enables us to see colours. We made secret messages using our learning and understanding of colour.
- Using photography to create digital perspective images.
- Bowling -this week , we started our weekly sessions of bowling at the Llantwit Major Bowls Club. The children will have the opportunity to learn a new skill under the tuition of the Llantwit Major Bowlers who kindly offer the school free weekly tuition this half term. This will culminate in a Finals Day, when children will be selected to represent the school and play against St Illtyd's Primary.
- Staff from the Comprehensive school visited Year 6 this week and the children had the opportunity to be taught a lesson by a member of staff who will be teaching them next year as part of the ongoing transition programme.
