Please can you make sure that we have Health Certificates completed and handed in by Monday morning. Any child requiring any medication **MUST** hand it in to the class teacher and sign a medication form at the office. Please can this be done before Wednesday morning so that we are fully aware of ALL medical needs (this includes Calpol and travel sickness tablets.) No child is allowed to self medicate. Thank you for your co-operation .

A final request is that you support us in ensuring that your child **DOES NOT** bring a mobile phone. It is essential that all children follow this rule.

Please could all children be in school for 8:40 am on Wednesday morning. They should go straight to the hall with their luggage. Our expected time for arriving back on Friday is 2:00pm, but we will be in touch to confirm times during the journey back via twitter and the school office. Please arrange for your child to be collected from school at the arrival time.

There will P.E as normal on Tuesday morning.

This week the children have been very creative developing their own Welsh myths. They are welcome to continue working on their stories over the weekend in preparation for their final draft competition entry for the Eisteddfod. The Bard stories are going to be judged by members of our Governing Body. Pob lwc!

I've enjoyed using my imagination to create my own Welsh myth.

Spencer

I enjoyed researching all about blood and presenting my learning on a Popplet.

Cerys

Millie

It was interesting to learn about ways to help me find out if something on the internet is trustworthy or not.

Eleri

I had fun playing games to practice my fractions.
