

Home Learning Summer 2018

Dosbarth Hafren a Dosbarth Caerffili
Friday 20th April, 2018

Welcome back to our Summer Term - and final term for Year 6!

Our new topic for the summer term is *Gallery Rebels* - focusing on creating and responding to a variety of artwork and artists, both past and present.

As the last half term was short, we are continuing some lessons on *BloodHeart* and will start *Gallery Rebels* in a few weeks. The new home learning grid to accompany the topic will be sent out next week as well as details of a topic related trip.

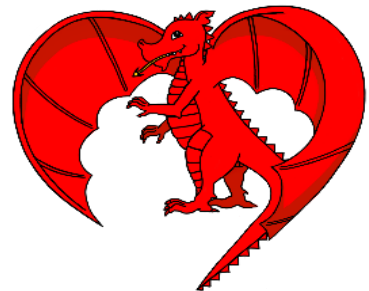

PRESENTATIONS

We have been really pleased and impressed with the amount of effort and standard of presentations that children have given so far.

Every child needs to give an oral presentation on a topic of interest to them, lasting no more than 2 minutes.

The presentations will continue next week, so there is still plenty of time to prepare. The presentations form part of your child's end of term English assessment for oracy.

P.E continues to be on a TUESDAY - full outdoor kit is required and also on a FRIDAY - indoor P.E kit for Gymnastics.

HOMEWORK

For the next two weeks, we are sending home paper homework that needs to be completed and returned by Monday morning.

This week we are focusing on reading timetables, calculating time intervals and using and reading 24hr clock times.

Please support your child where necessary to complete the homework and hand it in on time - thank you.
