## Dosbarth Hafren a Dosbarth Caerffili

Week Ending: Friday 9<sup>th</sup> October

*Annwyl Rhieni/ Dear Parents,*

*This week, in Dosbarth Hafren and Dosbarth Caerffili we have completed lots of learning. In maths we have been solving algebraic missing number problems. In language and literacy we have used our plans and added similies, metaphors and personification to write and edit elements of our own stories.*

*Our Power Words are:*

*scuttled lurked reek luscious grimacing snivelled*

*Try to use the words in sentences to 'power' them up.*

*Our enrichment day tied together lots of our learning, research and writing skills. We presented our findings from our exciting Anderson building task and evaluated it's effectiveness and where we could have made improvements. This also gave us an opportunity to look at how we worked as a team. Look out for examples of our work on our twitter feed. In games we have been practising tennis skills and improving our accuracy at sending and receiving.*

*Applications for Head Boy and Head Girl have been completed and the next stage of the process will be creating video speeches in school.*
