

Home Learning AUTUMN 2020

Dosbarth Caerdydd a Dosbarth Teifi Friday 9th October, 2020

This week we have been...

- exploring a variety of methods to add and subtract - place value, counting on, frog jump method and partitioning.
- writing a first person narrative to tell the story of Pandora's Box from her point of view.
- learning about the Norman invasion to help us understand why and how castles in Wales are Norman castles.

ENRICHMENT DAY

Please look at our twitter feed for some fabulous pictures of our Enrichment day this week. The children worked so well together to plan their heraldic shields. They used equipment safely and responsibly, measuring and sawing, painting, gluing and drawing to add finishing touches. We were so impressed with their final products and hope you were too!

- All children have accessed their new Google Classroom page this week. The class code is **pk5345**. Every child has been given a copy of their relevant passwords to keep at home for online access should the need arise.

HOME LEARNING

- As we continue to learn more around our topic 'The Restored Castle', we are delving deeper into how parts of a castle would work. Next week for our enrichment day, we are exploring the concept and creating our own pulley system to make a drawbridge.
- **To do this, we are asking that every child brings in a cereal box for them to use to complete this learning task.**
- **Next week, we are learning about instructional writing. Please could you find some examples of written instructions from magazines, newspapers or on packaging and send them into school for Monday.**
- There has now been a home learning grid uploaded on your child's google classroom. This will run across the Autumn term. If your child is at home due to illness, please feel free to use this home learning grid to support learning at home.

P.E days are a **Monday** and **Thursday**. For the time being, your child is expected to come to school in appropriate clothing and footwear so that they can take part in P.E activities without the need to change clothes.

We appreciate your support in ensuring this happens so that **ALL** children can participate safely.

As always, we are here to help and support, so please feel free to contact us via the office if you need to.

Enjoy the weekend !

Mrs Crowther, Miss Whelan and Mrs Edwards.
