

Colhuw Nursery class news at Ysgol y Ddraig

Week Ending:
Friday 24th May 2019

This week we have worked on our "critical thinking skills" by looking at a picture of a beach scene and talking about what we can see and what we think might be happening in the picture. We shared lovely ideas and had some very creative answers. We have practised reading numbers on the price tags of items in our beach shop. Then we counted out the correct number of 1p coins to buy the item. Everyone enjoyed taking turns role-playing as the shopkeeper and the customer. We really enjoyed investigating sensory play with shaving foam as "ice-cream" - we scooped and filled the foam into plastic ice-cream containers, using lovely descriptive language! We also played games of Seaside Lotto, to support with learning lots of topic vocabulary. We had to take turns and concentrate to see who could call "Lotto" first, when we had a matching seaside picture. We shared the story of "Rainbow Fish" by Marcus Pfister, the story of a fish who is very proud of his beautiful sparkling scales but is very reluctant to share! Eventually he realises that sharing his sparkling scales with his friends gives him a good feeling! We talked about the qualities that make a good friend and shared our own experiences in circle time of someone who had been a good friend to us. In Welsh we continued with our learning of phrases and songs to talk about the weather. In PE we started to practise some of the races for our Nursery Sports Day, which will be held during the morning of Thursday 4th July.

Please note – there will be **no** LAP Dragons on the first week back (Thursday 6th June), but **LAP Dragons will re-commence on Thursday 13th June.**

On sunny days, please can children come to school wearing sun cream and a sun hat .
Apologies but staff are not allowed to apply sun cream.
