

## Colhuw Nursery class news at Ysgol y Ddraig

Week Ending:  
Friday 7<sup>th</sup> June 2019

This week we have been thinking about what makes us all special; we looked carefully at our friends and talked about our hair and eye colour and the features on our faces. We worked together to describe and draw a friend on the IWB, thinking carefully about the shapes we were drawing and the colours to choose. When we went to our activities we looked in the mirror and carefully painted a self-portrait of our faces. We were very pleased with the results! We enjoyed sharing the story of "Smiley Shark" and thinking about how we look to others when we have different feelings. We talked about the different feelings that we have and looked at pictures of faces and tried to read their emotions. We have been consolidating lots of learning including rote counting, reading and recognising numbers, trying to read and recognise our names and writing our names. During circle time we talked about the things we enjoy doing in Nursery and the new skills that we have learnt. We have helped to create a puppet theatre outside, next to our beach role-play area, and have enjoyed creating stories or re-telling stories we have heard using the puppets. We have also enjoyed being part of the audience and watching our friends' shows. In PE we watched Year 2 perform the dance that they created to the song "Under the Sea" from The Little Mermaid film. We joined in with the dancing after their performance, creating waves with the ribbons and copying parts of the routine. We really enjoyed our collaborative dance with our friends from Year 2!

On sunny days, please can children come to school wearing sun cream and a sun hat. Apologies but staff are not allowed to apply sun cream.
