## Summer Term - Rio de Vida

<p><b>Practise reading the high frequency words 'Word Wall' to develop confident word recognition and learn to spell these tricky words to improve writing fluency.</b></p>	<p>Design your own bright and colourful carnival outfit. Research costumes and outfits on the computer to help you develop your own ideas. Then, draw an illustration of your outfit. You could label the different parts of your design, collage with sequins, pieces of fabric, ribbons and feathers or write a brief description about your costume for the Rio carnival parade.</p>	<p>Find out about some famous Brazilian sports stars, film stars, dancers or singers. What interesting facts will you discover?</p> <p>For sports stars you could choose Pele, Neymar or Ayrton Senna or maybe the actress Carmen Miranda.</p>	<p><b>Learn to tell the time to the hour, half hour and quarter hour on an analogue clock. Begin to read these times on a digital clock.</b></p> <p><b>Practise using coins to make small amounts. When confident handling money, practise giving change from 10p and 20p.</b></p>
<p>Write a fact file, booklet or poster about one of Brazil's many exotic birds or animals. You should include a picture of your chosen animal, its name, a description, information about its habitat, what it likes to eat, its size and behaviours, and at least one interesting or surprising fact!</p>	<p>Find some Brazilian recipes online and try making them with your family. Take photographs of the preparing, cooking and tasting processes. Use the photos to make a timeline to show how to make the food. Or write out the recipe and include a photo of the end result. Rate your chosen recipe out of five stars.</p>	<p>Choose a Brazilian animal to look at in more detail. Draw it and label the parts of its body. Or perhaps create a painting or collage.</p>	<p>Make a map or montage of Brazil to show/celebrate the important features, landmarks and culture of this colourful country. You could include the location of the capital city, the Brazilian flag, well-known beaches and the Rio Carnival.</p>
<p><b>Know the number bonds of 10 - pairs of numbers that add to make 10 - and use these facts to learn the number bonds that add to make 20 e.g. if <math>4+6=10</math> then <math>14+6=20</math></b></p> <p><b>Know the number doubles to double 10 and halves of numbers within 20 e.g. Double 4 is 8 (<math>4+4=8</math>)</b> so <b>Half of 8 is 4</b></p>	<p>Create a 3-D model of a Brazilian feature or landmark. For example, the statue of Christ the Redeemer, a Favela, the Amazon Rainforest, a beach, San Rafael falls, Rio Carnival float, national flower/animal. Use any material of your choice e.g. recyclable/junk materials, lego, playdough, card/paper etc..</p>	<p>Find out what language is spoken in Brazil. Translate our topic title: <b>Rio de Vida</b></p> <p>Learn some other words and simple phrases in the language and impress your classmates! Can you make a list of useful words and phrases to teach your friends?</p>	<p><b>Daily/regular reading of the home reading book, focusing on reading accuracy, fluency, expression and comprehension.</b></p> <p><b>Continue to practise phonic recognition (Read Write Inc) to increase decoding skills.</b></p>

The activities in the corner boxes are intended to be prioritised. Children may then choose to complete a minimum of 3 other activities at a time suitable to them.
