

Dosbarth Colhuw - Home Learning Autumn Term 2018 "Why do leaves go crispy?"

The four shaded corners are activities that we encourage to be completed regularly at home and the other activities are a **choice of suggestions** to support class learning. Please complete as many as you wish.

Home Learning that is brought to school will be shared in class and displayed on our class topic board.

<p>Develop recognition of numbers 1-5 (and beyond for those who are ready).</p>	<p>Take a walk with a grown up and collect some Autumnal treasures (e.g. pine cones, acorns, conkers, leaves etc) and bring to school for our 'Investigation Area'.</p> 	<p>Create a picture using a range of natural materials e.g. sticks, pebbles, leaves etc. Take a photo of your creation and bring it to school to share with our class.</p> 	<p>Practise writing your name. This could be writing on paper or in glitter / flour / mud / sand etc.</p>
<p>Bring in a story book from home that is about Autumn or a woodland adventure. Please label the book or bring in a named bag.</p> 	<p>Make a model or puppet or picture of a woodland animal using any materials.</p> 	<p>Learn a new Nursery Rhyme. If you wish you could perform it to the class, or share the title with our class to learn.</p> <p>Nursery Rhymes</p> 	<p>Create a piece of craft using a pine cone e.g. an animal / person / decoration.</p> 
<p>Read and discuss your weekly story book and write a comment about your enjoyment of the story in the Reading Record.</p>	<p>Build a den inside or outside your house using any materials. Please bring a photo of you in your den to school to share with our class.</p> 	<p>Please carefully pick some blackberries with a grown up and bring some blackberries to school on Monday 8th October. We will be making blackberry jam. <u>Please do not bring blackberries in before this date ☺.</u></p> 	<p>Practise counting up to five objects (and beyond if ready) in many different situations.</p>
