

Year 1 Home Learning

Spring Term - Do All Superheroes Wear Capes?

<p style="text-align: center;">Language, Literacy and Communication-</p> <p>Practise reading the high frequency word (HFW) wall to develop confident word recognition and begin to learn how to spell these tricky words to improve writing fluency.</p>	<p>Take pictures of you being a 'superhero' at home carrying responsibilities in the home e.g. tidying your room, washing the dishes, helping to do the shopping. You could write a sentence to explain the picture.</p>	<p>Make a list/ table of traits or characteristics comparing a villain (baddie) with a hero (goodie).</p> <p>Make a model of a superhero- you could use, cardboard boxes, modelling dough, loose parts, Lego.</p>	<p style="text-align: center;">Numeracy and Mathematics-</p> <p>Learn the number double facts - doubling numbers up to 10 For example, 1+1=2, 2+2=4, 3+3=6... 9+9=18, 10+10=20</p>
<p>Who is your hero? You could bring a picture of them into class and explain to the class who your superhero is and why. You could even write a sentence/ paragraph about why you chose them.</p>	<p>Design a new superhero (on paper or on a computer) to join the Avengers or DC. Ensure your superhero has a name, a special power and a fabulous costume. You may want to add labels and write a small paragraph explaining how your superhero can help others or a short adventure story involving your superhero character.</p>	<p>Talk to 'somebody who helps us' in the local community/family member and interview them about the <i>heroic</i> things they do to help people in Llantwit Major. You could film this interview or record your findings by writing them on Hwb/paper.</p>	<p>Plan and create a healthy lunch fit for a superhero that you can bring into school. Make sure you take a trip to the shops with an adult to locate the healthy items and use money to pay for the items independently or with adult support. You could include the prices on your healthy lunch design and show your friends how you worked out the total cost. Did you get any change?</p>
<p style="text-align: center;">Numeracy and Mathematics-</p> <p>Learn the number bonds of 10 - pairs of numbers that add to make 10 For example, 0+10, 1+9, 2+8, 3+7... <i>Use the same method to learn ways of making other numbers within 10</i></p>	<p>Use information books and the internet to find out about Record World holders and their superhuman achievements. Tell us which record holder event is your favourite and explain why.</p>	<p>Make up your own song, rhyme or poem about a superhero. You could sing or write about their strengths and skills, to promote them and show how they help the community.</p>	<p style="text-align: center;">Language, Literacy and Communication-</p> <p>Daily/frequent reading of the home reading book and practising phonics/grapheme recognition to improve decoding skills.</p>

Here are some suggested home learning tasks that we encourage are carried out with your child at home. Children may choose to complete a minimum of three of the other activities throughout the Spring Term (Jan- Apr) with family members and friends. We recommend that the four corner tasks be carried out weekly.

Remember to bring your Home Learning in to school to share with your friends! Enjoy! ☺

Year 2 Home Learning

Spring Term - Do All Superheroes Wear Capes?

<p>Language, Literacy and Communication- Practise reading your school reading books regularly at home with a grown-up and ask them to comment in your yellow reading record too.</p>	<p>Take pictures of you being a 'superhero' at home carrying responsibilities in the home e.g. tidying your room, washing the dishes, helping to do the shopping. You could write a sentence to explain the picture.</p>	<p>Make a list/ table of traits or characteristics comparing a villain (baddie) with a hero (goodie).</p> <p>Make a model of a superhero- you could use, cardboard boxes, modelling dough, loose parts, Lego.</p>	<p>Numeracy and Mathematics- Learn your 2, 5 and 10 times tables. You may want to use some of the catchy YouTube songs to help you become confident counting in 2s, 5s and 10s. <i>(Search counting in 2s/5s/10s to find the YouTube songs)</i></p>
<p>Who is your hero? You could bring a picture of them into class and explain to the class who your superhero is and why. You could even write a sentence/ paragraph about why you chose them.</p>	<p>Design a new superhero (on paper or on a computer) to join the Avengers or DC.
