Dosbarth Penfro and Cleddau Home Learning Autumn Term

<p>Read the school reading book and parents to comment in the reading record. Bring your book into school everyday.</p>	<p>Keep a food diary and notice what happens as certain foods like beetroot, sweetcorn, asparagus and blueberries pass through the body.</p>	<p>Make a 3-d model of the human digestive system or a set of human teeth.</p>	<p>Regularly log in to Active Learn and Prodigy to further develop numeracy skills. Regularly log onto Spelling Shed and Read Theory to further develop Literacy skills.</p>
<p>Try a new food or drink that you have never tasted before. What do you like or dislike about its taste, texture or smell?</p>	<p>Read some different Roald Dahl stories/books . Write or film a book review about your favourite.</p>	<p>Write a set of instructions explaining how to brush your teeth correctly. You could also design a poster about looking after your teeth.</p>	<p>Learn about how to boost your immune system. Make a poster or advert for the doctors surgery to help people avoid falling ill during the flu season.</p>
<p>Learn number bonds of ten, hundred and 1000 - pairs of numbers that make ten, hundred and 1000. For example: 1+9, 2+8,3+7, 4+6 10+90,20+80,30+70,40+60 100+900,200+800,300+700</p>	<p>Make a word search with all the vocabulary from our topic that you have learnt so far. Ask your family and friends to have a go!</p>	<p>Create a scientific dictionary about the internal organs of the human body. You could include illustrations.</p>	<p>Find out what qualifications and training you need to become a dentist. Make a list of the questions you could ask your dentist at your next check-up.</p>
