

Class News

Dosbarth Hafren a Dosbarth Caerffili

Week Ending: Friday 19th October

This week we have been writing letters home from the viewpoint of an evacuee - these will be being posted to you next week! In maths, we have been code breaking using algebra and have created our own games involving algebraic expressions. We had a very interesting visit to the synagogue as part of our RE week work and in school have learnt the significance of different parts of a synagogue. We had a visit from the PCSO's and carried out some road safety training. We will be starting to work with the PCSO's to keep our pupils safe at the end of the school day.

"I am proud of my writing this week and I enjoyed reading my letter to the class."

JW

"I can't believe I've done algebra! I got it!"

LC

"It was great when the man blew the horn in the synagogue"

IT

Have a lovely weekend
Mrs. Davies and Mr. Oldfield.
