

Dosbarth Col-huw Nursery News

Friday 4th May 2018

What we have been doing this week

We have been reading books with a boat theme, linking with this the children have been experimenting finding objects that sink and float. Can children continue this at home during bath time? Children have been exploring our school grounds whilst playing eye spy. The children drew maps in pairs and individually of our journey around the school grounds. Individually the children have continued to use HWB (WG online learning platform) to create pictograms based on data collected last week in our groups.

NEXT WEEK - Please can children start to bring junk materials in so we can make different vehicles the following week.

Home Learning

This week we had some lovely pictures of vehicles from some children. The home learning grid is available on our web site.

BOOK BAGS

We run a library on Thursdays and Fridays, it is during this time an adult will spend time with your child on a one to one basis discussing books and developing early reading skills. Please can all children bring a book bag into school on these days so we are able to change their book. The book will then come home with you to share and enjoy.

Sound Books N2 Children (children going to reception in September)

Please can sound books be kept in the book bags so we are able to update them when necessary.

Sounds

N2 children continue to revisit the sounds below with our older children
m, a, s, d, t, i, n, p, g, o, c, k, u, b, f, e, l, h, sh, r, j, v, y, w, th, z, ch, qu, x, ng, nk
Younger children (N1) are working on identifying initial sounds when looking at different objects and pictures.

Maths

Keep working on counting up to 10 objects accurately. Children are learning to rote count to 10 and above.

Weekly Finger Gym activity - Can you make a picture of a vehicle using pieces of pasta, lentils or other small objects?

LAP Dragons and Community LAP Dragons -

Sessions run on Thursday 11.30-1.00 for current nursery children and 2.00-3.00 for children in our community. Please spread the word, we would like to welcome new families. The activities this week continued to be based around the Hungry Caterpillar. Next week we will be planting flowers for butterflies.

Family Fridays

This week the group planted flowers and vegetables. Next week the group will be painting tyres. All welcome, please come along if you are free. The group is open to parents of children of any age in our school.
