What we have been doing this week

This week we have had a Round the World theme. We have been looking at the world map, identifying land and sea. We are starting to learn that the world is made of many different countries and these countries can be different or similar. We looked at the story of Handa's Surprise and identified the continent Africa on the map. We looked for clues in the pictures that tell us the story was not set in Wales. We also looked at the story Kabo's Diary, he flew from Cardiff airport to visit his Gran in Botswana. We found out about Barnaby Bears trip to Norway. We went on a Handa's Surprise walk so we could visit our friend in the next village and collected the fruits in order as we went. We compared foot size and measured each other with blocks in readiness for the end of term. In keeping with the Football World Cup we looked at flags of different countries and played football.

Maths

Compare the size of objects

Finger gym - Making different fruits out of dough.

LAP This week the group looked at different ways to develop gross motor skills.

Times Nursery children 11.30- 1.00 and Community 2.00 - 3.00

What ever the Weather Wednesdays - activities on Wednesday afternoon for those children and their parents starting Reception in September 1:30 - 3pm. Meet at the Reception desk. (Please note we will be going to the wooded area next to the school, so wear appropriate clothing).

Beach Day

On Wednesday 18th of July we will be having a special 'Wow' beach day in Nursery. This is an alternative to a trip as we know that it can be difficult for families to organise an accompanying adult for each child. We will transform Nursery into our very own beach resort, with puppet shows, bubbles, games, paddling pools, sand and ice-cream - Fingers crossed that we have nice weather

Nursery Graduation .

The parents of the children going to Reception in September will be invited to our Nursery Graduation on Thursday 19th July at 10.30 am.
