## Welsh of the Week

**Bore da**  
**Good morning**

**Hwyl Fawr**  
**Goodbye**

## Important information & reminders

We kindly ask for a contribution of £1 each week for snack. This can be paid at the beginning of every week or for the half term. **Please send in a clearly labelled envelope with your child's name.** We have a range of fruit and vegetables every day and often we will try new foods and participate in our own cooking activities.

It is most helpful if children can keep a bag of spare clothes in school on their peg in case they need a change of clothing. Please ensure that all items of clothing are labelled with initials.

We go outside daily 'whatever the weather' *waterproof coats are advisable.*

*This Nursery newsletter will be available on our school website every week for family members to download. A link is provided on our whole school newsletter. Please advise us if you would prefer a paper copy to be provided.*

WOW, what a fantastic first week. Children have been learning how to be safe and happy in our classroom.

We are very proud of how our new Nursery have settled and how those children already attending Nursery have welcomed new friends, helping them to get to know our routines and rules.

Nursery have been getting to know everyone and talking about how our names are one of the many things that make us special.

It is very pleasing to see how many children have been trying to put on their coats themselves and looking after their belongings by hanging them carefully on their pegs.

We are looking forward to another busy week next week. Please come to speak to us if you have any questions or queries.
