End of the Day

We have been working really hard to encourage the children to look after our items in the outdoor area and tidy up appropriately at the end of each day. Therefore we politely ask that you remind your child/ren not to play with any of the toys at pick up time, when waiting to collect your Year 2 child or after collection. Many Thanks.

What a great first week back, have a lovely weekend!

Miss Cogbill and Miss Rose.

This week ...

In Maths we have focused on counting in 2s, 5s and 10s this week. We have enjoyed singing along to rhymes and copying dance moves. We then used this to help us solve multiplication number sentences and frog hopped along a number line to find the answer. We were really lucky to have the opportunity to interview some of our Llantwit Superheroes this week. We spoke to Father Edwin, Kathy from the Library, Richard a Coast guard and PCSO Cummings. We used all of the amazing facts we learnt about their jobs and created 'Superheroes of Llantwit' leaflets.

For Fairtrade fortnight we looked at where different Fairtrade products come from. We used a table to read the data considering which continent and country the item was produced. We then labelled this on a World map.

We thoroughly enjoyed dressing up on World Book day and taking part in a book swap. We created a book review on our favourite book discussing the characters, plot and giving it a star rating.

We also started our Lead Creative Schools project this week, with Alex, creating sentence rhymes to different beats! Such a busy week!
