Year 2 class news at Ysgol y Ddraig

Reminders

- **Street Detective Showcase-** A reminder that our showcase will begin at 2pm on Tuesday 9th April in our school hall. All family members and friends are welcome.
- **Showcase Costume** - Please can all children come to school dressed in their costumes for the showcase. This includes a bright t-shirt and dark trousers/leggings/jeans etc. The children will be performing their "dress rehearsal" to the school in the morning.
- **Extra Curricular Clubs** - There will be no extra curricular after school clubs next week (week commencing the 8th April). Also there will be no extra-curricular clubs the first week back (week commencing 29th April)
- **Book Bags** - Please ensure children return their book bags on their allocated reading day. When listening to your child read at home we recommend asking questions about the story to help develop their comprehension skills. If you could write a small comment in their yellow reading record too, this would be much appreciated.

Thank you for your continued support,
Miss Cogbill, Miss Price and Mrs Daw.

This week...

We have been very busy preparing for our Street Detective Showcase this week. We have been practising our songs ensuring we stay in character, perform confidently and give 100% effort with the actions to our songs. We've also rehearsed projecting our voice in our school hall, so all of our audience members can hear our words. We can't wait to share all of our hard work to our family, friends and the community on Tuesday! In Maths we have been learning to add different prices together by counting on in tens and units. We had to make sure we always started with the biggest number to help us solve the problem.

We have been practising our comprehension techniques this week, remembering to refer back to the text to answer questions. We also practised using speech marks in our writing to show when a character is talking. This will help us when we write the story of 'The Three Little Pigs' next week.

Also, we continued to plan our Dragon's Den business, by designing the product we will "sell", the logo and shop name. We had to work as a team and discuss the positives and negatives of our designs to help pick our final end product.
