

Week Ending:
Friday 6th March

Reminders

Dosbarth Ogwr's Show and See-
Dosbarth Ogwr's show and see will be on Tuesday 24th March at 2:00pm in Ogwr's classroom. Invitations will be sent home next week. Could you R.S.V.P what adults are coming as the children will be making some nibbles. We look forward to seeing you!

Foundation Phase Techniquet
trip- Thursday 12th March.
We will be going on a Foundation Phase school trip to Techniquet as part of our Superhero topic and to celebrate British Science week.

See-Saw consents-
Please could all see-saw consents be brought back into school ASAP so we can start your child's journey on See-saw.

PE kits-
All children must have in school a PE kit. If your child currently doesn't, it is very important one is brought in next week.

Thank for your continued support.

Miss Whelan 😊

Reception class news at Ysgol y Ddraig

This week...

On Monday, we had a visit from all our local superheroes that help us stay safe in the community. We created questions that we wanted to ask them and enjoyed listening to their responses. To gather the information we collected, this week we created our own posters that included a picture of our favourite community superhero, a title and information about our chosen superhero.

We have been re-telling the story 'Superworm' using Pie Corbett. This has supported us in learning the story using a vocal script, key words and actions. We re-told the story and used that to help us write a part from the story we enjoyed.

In Mathematics, we have re-capped 2D shape by making shape pizzas and identifying how many sides a shape has. Next week we will be exploring 3D shape.

Dosbarth Ogwr suggested home learning tasks (Autumn term).

Foundation Phase topic- *Street Detectives*- This term will allow your child to learn and explore into our local community here in Llantwit Major.

Here are some suggested home learning tasks that you are welcome to carry out with your children at home. Your child can carry out the tasks at their own pace with family and friends and bring in to share with peers and display in class.

Enjoy! 😊

<p>Practise learning your set 1 sounds. Use the rhymes to help you form them correctly.</p>	<p>Can you build a 3D model of a building you like in Llantwit Major e.g. town hall, church, rugby club, leisure centre etc. We will display this in our class.</p>	<p>Can you interview someone who has lived in your community for a long time, perhaps a relative or neighbour you know well. What changes have they seen? Which things are better or worse today?</p>	<p>Practise counting the correct amount of objects you need for a chosen number. Can you add 1 more and count how many you have now?</p>
<p>Think about the vehicles you see in Llantwit Major. Can you make a pictogram or tally chart on how many times you see a vehicle in 1 day. Use paper or Hwb to record this.</p>	<p>Make a picture collage of all your favourite places to visit in Llantwit Major. If you wanted to do this on a digital device, use the app 'pic collage'.</p>	<p>Think about the people who help us in our community. Draw or paint a picture of them in their uniform. (Doctor, Firefighter, Lollipop lady/man etc).</p>	<p>Can you draw/ video the directions from your house to a local feature (shop, church, leisure centre, park) using directional language, e.g right, left, forwards and backwards, over, under.</p>
<p>Practise learning to identify and counting to number 20. Can you go backwards and forwards?</p>	<p>Design your own fantasy building you would like to be built in our local community. If you make a 3D model of this, we. Would love to see it!</p>	<p>Visit a local shop with your grown up. Take or write a shopping list before you go. Pay for your shopping identifying the correct coins and change. Take photos to share with your friends in school.</p>	<p>Practise recognising and writing your name. This will help you find your peg in class and write your name independently on your work.</p>
