

Foundation Phase suggested home learning tasks - Do Superheroes wear capes?

Here are some suggested home learning tasks that we encourage are carried out with your child at home. Your child can carry out the tasks at their own pace with family and friends but we recommend to complete the four corners weekly. Remember to bring your home learning in to share your hard work with your friends. Enjoy!

<p><i>Language, Literacy and Communication-</i></p> <ul style="list-style-type: none"> Practise reading your school reading books regularly at home with a grown. Ask them to comment in your yellow reading record too. 	<p>Take pictures of you being a 'superhero' at home carrying responsibilities in the home e.g. tidying your room, washing the dishes, helping to do the shopping. You could write a sentence to explain the picture.</p>	<p>Make a list/ table of traits or characteristics comparing a villain (baddie) with a hero (goodie).</p> <p>Make a model of a superhero- you could use, cardboard boxes, modelling dough, loose parts, Lego.</p>	<p><i>Numeracy and Mathematics-</i></p> <ul style="list-style-type: none"> Learn your 2, 5 and 10 times tables. You may want to use some of the catchy YouTube songs to help you become confident counting in 2s, 5s and 10s. (Search counting in 2s/5s/10s to find the Youtube songs)
<p>Who is your hero? You could bring a picture of them into class and explain to the class who your superhero is and why. You could even write a sentence/ paragraph about why you chose them.</p>	<p>Design on paper or a computer a new superhero to join the Avengers or DC. Ensure this superhero has a name, a special power and a fabulous costume. You may want to add labels and write a small paragraph explaining how your superhero can help!</p>	<p>Talk to 'somebody who helps us' in the local community/ family member and interview them about the heroic things they do to help people in Llantwit You could film this interview or record your findings by writing them on Hwb/paper.</p>	<p>Plan and create a healthy lunch fit for a superhero that you can bring into school. Make sure you take a trip to the shops with an adult to locate the healthy items and use money to pay for the items independently or with adult support. You could include the prices on your healthy lunch design and show your friends how you worked out the total cost. Did you get any change?</p>
<p><i>Numeracy and Mathematics-</i></p> <ul style="list-style-type: none"> Learn to recall the pairs of numbers that make 10/20 and double facts up to 15. Practise my number facts by revisiting challenges on 'ActiveLearn 	<p>Use information books and the internet to find out about Record World holders and their superhuman achievements. Tell us which record holder event is your favourite and explain why.</p>	<p>Make up your own song or rhyme about a superhero. You could sing about their strengths and skills to promote them and how they help the community.</p>	<p><i>Language, Literacy and Communication-</i></p> <ul style="list-style-type: none"> Become more confident at reading your word walls at speed. Challenge yourself to learn how to spell some of these tricky words too.
