This week...

We all enjoyed our first 'Move Up Monday' with our new teachers, Mrs Farmer and Mrs Ewings, and enjoyed our day in our new classrooms. We are looking forward to our final Move up Monday next week!

We have been working hard towards our enterprise fayre this week. We started by brainstorming ideas, considering which items may sell well in our school and thinking of games that would engage all children in the school.

Once we decided on our top 4 stalls: butterfly sweets, stress balls, popcorn cones and a games stall we then decided on a price. We had to ensure we would make enough profit after we had purchased the items we needed to make our products.

We then created eye-catching and informative posters to advertise our items and games. We had two very busy afternoons creating all of our products, which were a huge success in our enterprise fayre this morning. We worked out how much we originally spent and how much we had taken during the morning, to help us find out profit. What a great project this has been!
