

Week Ending:  
Friday 11<sup>th</sup> May.

## Reception class news at Ysgol y Ddraig

### Reminders

**Royal wedding celebrations-**  
Next week we will be celebrating the Royal Wedding by learning all about the Royal family, learning and taking part in wedding ceremonies, writing invitations and creating crafts and food for our big street party we will have in Reception on Friday. Children can come dressed up as princes and princesses or wear our British colours red, white and blue on Friday for our street party.

Please could all children's hair be checked as we have had a case of head lice in reception.

Thank you! 😊

### This week...

We have been doubling and halving in Mathematics. We revisited our doubles song to help our mental maths and used biscuits to help us double numbers visually. We of course then ate them all up! We also created a class pictogram on hwb showing our favourite type of transport. We were able to identify the most popular and least popular form of transport. In literacy we have been looking at wow words and what they are. We used them to describe our favourite type of transport. We came up with some super wow words and then used them in our writing.

**Star of the week: Tabitha Scagell for creating a super pictogram of her friends favourite vehicle using hwb.**

**Dewi the dragon: Logan Stokes.**

Thank you for your continued support.  
Miss Whelan.

Dosbarth Ogwr suggested home learning tasks (Summer).

Class topic- Are we there yet? This term will allow your child to learn about the different types of transport and how it helps us to travel to different destinations.

Here are some suggested home learning tasks that you are welcome to carry out with your children at home. Your child can carry out the tasks at their own pace with family and friends and bring in to share with peers and display in class or tweet so we can share photos in class. Enjoy! ☺

<p>Order numbers 1-20 confidently and use correct number formation to form numbers.</p>	<p>Create a 3D model of a transport vehicle of your choice. Can you name all the 3D shapes you use?</p>	<p>Where in the world? Can you look at photos of places you have visited with family. Make a display to show your friends the countries you have been.</p>	<p>Ensure correct pencil grip is used to hold pencil (pincer grip- 2/3 fingers and thumb) and write words using your 'Fred fingers'. Begin to use capital letter, finger spaces and full-stops in your sentences.</p>
<p>Draw a train track out of chalk in your garden. Can you write numbers 1-20 on the track?</p>	<p>Write a story about a journey you took. Did you travel by magic carpet, train, bus, hot air balloon, boat? Use your Fred fingers to help you write words.</p>	<p>Make your very own hot air balloon or parachute at home.</p>	<p>Make a map of a journey you took with your family. It could be a car, walking, bus, train, boat journey.</p>
<p>Recognise all set 1 RWI sounds and use 'Fred talk' to read simple words. To help you read larger words, break the word up to help you.</p>	<p>Choose a holiday destination. Can you draw and label the items you think you would need in your suitcase to visit that country.</p>	<p>Open your own car wash. Can you set up your own car wash for your family? You could wash the cars, scooters and bikes. How much will you charge?</p>	<p>Add groups of objects together to find a total/ Take-away objects to find 'how many is left?' Write the number sentence using the symbols '+, -, =' to show the calculation.</p>
