

Week Ending:
Friday 24th May.

Reception class news at Ysgol y Ddraig

Reminders

Class trip consent forms-

Could all consent forms be brought into school after half-term for our trip to Cefn Mably. We will be going Friday 7th June (the first week back after half-term).

Thank-you!

That summer weather!

Next term, as the sun is starting to make an appearance, could children be wearing sun-tan lotion and hats as we use the outside environment daily.

Another term has come and gone! Next term will be our last term in Reception, what a fabulous start to our last topic we have had and we can't wait to carry it on next term.

Have the best half-term!

This week...

We have been using the game 'Who am I?' to help us understand what a clue is and how we use them to describe something or someone. We have created our own descriptive clues and written them in our books to help our friend guess our chosen farm animal. We have also been super at building the farm animal names.

We had to find the correct sounds in the water and then work collaboratively as a team to build the word, we then used our Fred talk to check if we had spelt the word correct.

In Mathematics, we re-visited 2D and 3D shapes. We have created our own farm tractors for the display using 2D shapes and explored the properties of shapes- faces, sides and corners. In topic this week, we have been exploring what farm animals give us. We identified what each animal gives us to support us.

Thank for your continued support.

Miss Whelan & the Reception team 😊

Dosbarth Ogwr suggested home learning tasks (Spring).

Class topic- Will you read me a story? This term will allow your child to explore the magic world of fairytales. Reading fairy tales can sweep us away into a fantastical world.

Here are some suggested home learning tasks that you are welcome to carry out with your children at home. Your child can carry out the tasks at their own pace with family and friends and bring in to share with peers and display in class.

Enjoy! ☺

<p>Develop recognition of numbers 1-20. Can you recognise and put the numbers in order?</p> <p>Begin to recognise numbers to 100.</p>	<p>Create your own fairytale- imagine your own setting, make up your own characters and objects. Re-tell and draw pictures of what happens in your story.</p>	<p>Get creative- use cellotape, glue, cardboard and lots of materials to build your own castle and fairy tale homes.</p>	<p>Ensure correct pencil grip is used to hold pencil (pincer grip- 2/3 fingers and thumb) and form letter shapes using RWI rhymes.</p>
<p>Create your own story sack for your favourite traditional fairytale. For example Goldilocks and the three bears could include- 3 teddy bears, bowls, wooden spoons, porridge, goldilocks and a copy of the book.</p>	<p>Bake gingerbread at home with family.</p>	<p>Create a Hansel and Gretel trail using bread and direct a family member to follow it.</p>	<p>Create a magic wand to go on our class display- remember to write your magic wish on your wand.</p>
<p>Recognise all set 1 RWI sounds and to use 'Fred talk' to blend sounds together to read simple words (c,a,t, cat). Use Fred fingers to begin to write the words.</p>	<p>Make spoon puppets from your favourite fairy tale and re-tell the story.</p>	<p>Write a letter to your favourite fairy tale character and tell them your favourite part of their fairy tale.</p>	<p>Add groups of objects together to find a total/ Take-away objects to find 'how many is left?' Write the number sentence to show your calculation.</p>
