

Week Ending:
Friday 8th June.

Reception class news at Ysgol y Ddraig

Reminders

Sports Day-

Sports day will be on
Thursday 14th May at
1:45pm on our back field.
Could all children wearing
clothing that signifies their
house colour. If you have
misplaced the letter telling
you what house your child is
in, just ask and we can let
you know 😊

PE kits-

It is really important that
all children have a PE kit in
school for our 2 sessions a
week. This bag can be kept
in school on your child's peg.
Shorts/ trousers, a white
polo shirt and trainers/
plimsoles.

This week...

We have started to read and learn
about our new story 'Whatever
Next'. This story is about a bear
that takes a journey in a rocket into
space. We have started learning the
story through Pie Corbett's T4W
using story maps. We even created a
giant story map with friends to help
us re-tell the story. We have been
talking about healthy food and how
we can make healthy choices when
we choose food to eat. In the story
the little bear has a picnic on the
moos so we have created our own
healthy picnics and made bear toast.
We used toast, jam, butter, bananas,
blueberries and apples to create a
bear face. The best part was getting
to eat them all up!

In mathematics, we have been
adding different amount of objects
together to find out 'how many
altogether?'. We have been working
hard to write number sentences to
match our addition and subtraction
problems.

With the hot weather making an appearance can children have sun cream already
applied in the morning before school, sun hat and a water bottle provided for
them to access on the trolley each day. Thank you.

Thank you for your continued support.

Miss Whelan and the Reception team.

Dosbarth Ogwr suggested home learning tasks (Summer).

Class topic- Are we there yet? This term will allow your child to learn about the different types of transport and how it helps us to travel to different destinations.

Here are some suggested home learning tasks that you are welcome to carry out with your children at home. Your child can carry out the tasks at their own pace with family and friends and bring in to share with peers and display in class or tweet so we can share photos in class. Enjoy! ☺

Order numbers 1-20 confidently and use correct number formation to form numbers.	Create a 3D model of a transport vehicle of your choice. Can you name all the 3D shapes you use?	Where in the world? Can you look at photos of places you have visited with family. Make a display to show your friends the countries you have been.	Ensure correct pencil grip is used to hold pencil (pincer grip- 2/3 fingers and thumb) and write words using your 'Fred fingers'. Begin to use capital letter, finger spaces and full-stops in your sentences.
Draw a train track out of chalk in your garden. Can you write numbers 1-20 on the track?	Write a story about a journey you took. Did you travel by magic carpet, train, bus, hot air balloon, boat? Use your Fred fingers to help you write words.	Make your very own hot air balloon or parachute at home.	Make a map of a journey you took with your family. It could be a car, walking, bus, train, boat journey.
Recognise all set 1 RWI sounds and use 'Fred talk' to read simple words. To help you read larger words, break the word up to help you.	Choose a holiday destination. Can you draw and label the items you think you would need in your suitcase to visit that country.	Open your own car wash. Can you set up your own car wash for your family? You could wash the cars, scooters and bikes. How much will you charge?	Add groups of objects together to find a total/ Take-away objects to find 'how many is left?' Write the number sentence using the symbols '+, -, =' to show the calculation.
