Dosbarth Teifi a Dosbarth Caerdydd

Week Ending: Friday 27th April 2018

Annwyl Rhieni/ Dear Parents,

Both classes have been extremely busy for next week's National Tests.

Pupils in Teifi and Caerdydd have worked hard in both Numeracy and Literacy. We have enjoyed explaining how we worked out our answers and how we could improve our problem solving.

Groups 2 and 4 have enjoyed participating in Archery at St. Donat's, even if the weather was a little damp on Tuesday!

We had a fantastic time working with MCPT on Team Building exercises.

Some of us visited Cadoxton Primary School for the Pyka Hak project.

We are looking forward to continuing our work on our Beast Creator topic.

Some of us have created a minibeast sorting diagram using Hwb J2Data.

It is important to listen to your child read as often as possible. This will help them further develop their oracy skills and vocabulary. Please could you ensure that Home Reading books are brought into school at least once per week.

Home Learning

Thank you for the fantastic home learning that has been coming into school. If pupils could continue to complete the shaded squares, and then choose any of the other activities on the grid in addition to these.
