

Year 3 Class News at Ysgol y Ddraig

Week ending 6th March 2020

This week...

Another busy week! We have had a good time celebrating World Book Day. We all dressed up as our favourite characters and had the opportunity to swap books with our classmates. We also enjoyed conducting experiments with pushes and pulls, finding out which surface needed more of a force applied to move an object. We were able to graph our results using J2Data on Hwb. We have also continued to read the Iron Man, learning more about direct speech.

Next week we are looking forward to our two trips!

Reminders/Information

Mad Science Workshop, Monday 9th March- We have been invited to a Mad Science workshop on Monday 9th March in the afternoon. We will be walking up and back during the day for this exciting free event.

Trip to Swansea Waterfront Museum, Thursday 12th March- Many thanks to all those that have already paid and returned consent forms to school. Just a reminder that payment and consent is due by **MONDAY 9th**. We will be leaving school just after registration and will be back by the end of the day. Please also ensure that your child brings lunch, a drink and a snack.

PE Kit- We are increasingly finding that children are coming to school without PE kit. This is a vital part of their school equipment to ensure their comfort and safety. Children DO need trainers for outdoor PE as school shoes do not provide enough traction to avoid slipping. **Please ensure kit is in school every week. We have PE on Mondays and Fridays.**

Have a lovely weekend,
Mrs Holloway, Mrs Maidment & Mrs McCarthy
