

Year 3 Class News at Ysgol y Ddraig

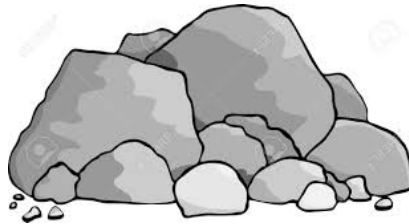

Week ending 11th May 2018

This week...

We enjoyed a lovely warm and sunny bank holiday Monday. When we returned to school on Tuesday we continued with our topic "Tremors." We have created banks of words associated with earthquakes and then used many of these to create our own earthquake poems.

In maths we have been looking at multiplying using the grid method, and in Science we have been learning about permeability. We have also learnt about earthquake hotspots around the world and have looked at a cross section of the inner core of our planet.

We're really looking forward to learning more on our trip to Rhondda Heritage Park next Tuesday!

Reminders/Information

Rhondda Heritage Park Y3 Trip- We have arranged to visit Rhondda Heritage Park on Tuesday 15th May to enhance our new topic. We have a busy but exciting and fun day planned. Please ensure your child's consent form and contribution of £9 is in school by **Friday 11th May**.

Sex and Relationships Education- Last week we sent out information letters concerning the SRE curriculum for Year 3 children. We need your consent to allow your child to participate in these lessons. Please ensure your consent form is returned to us by **Friday 11th May**.

Home Learning- A Home Learning grid has been sent home for the Summer term detailing homework tasks for our new topic, Tremors! This is also available electronically on the school website.

Have a lovely weekend,
Mrs Holloway, Mrs Ewings & Mr Quirke
