

Year 3 Class News at Ysgol y Ddraig

Week ending 4th May 2018

This week...

We have completed our National Tests. We all worked incredibly hard and did our very best- da iawn bawb! In maths we have practised counting in steps of threes and fours and completed activities to help us learn our 3x and 4x multiplication tables. We have also practised weighing using grams and kilograms and reading measuring scales. In Welsh we have continued our topic of anifeiliad anwes (pets). We have been asking questions and answering with positive and negative responses. We have also practised saying which pet we would like to have and read simple dialogues.
