

Spring Term Class News

Dosbarth Penfro a Ddosbarth Cleddau

Week Ending: Friday 6th March 2020

Annwyl Rhieni/ Dear Parents,

This week, the pupils in Dosbarth Penfro and Dosbarth Cleddau have continued working on their topic, The Blue Abyss. In **Literacy** We have ordered words alphabetically to the first, second, third and fourth letters, used an online dictionary to create an ocean glossary and located topic words in dictionaries. We have found out about the scuba diver Jacques Cousteau and researched facts about him. We have chronologically ordered significant events in his life to make a time line. We have read the story 'Man Fish- a story of Jacques Cousteau' by Jennifer Berne and then made a model of Jacques' undersea world using Lego. We have looked at seascape paintings by various artists, including Welsh artist Susie Grindey. We have began creating our own seascapes by using a colour wash and mixing shades of different colours. In **Numeracy**, we have been recording data on tally and bar charts and asking and answering questions based on the data. We have continued to work on a range of number skills included in our Big Maths tests. These include times tables , place value adding and subtracting 2 and 3 digit numbers. Children also met up in their Pupil Action groups today and continued to work on their action plans for the coming term.

Class Information

Plastic bottles: Please can you provide any clear plastic 1.5l bottles. We plan to use these as part of a science investigation.

Useful websites to help (Your child uses these websites as part of their learning)

timestables.co.uk

readtheory.org

www.activelearnprimary.co.uk

Reading- Your encouragement with reading at home is greatly appreciated. Please ensure that books are returned to school on your child's designated day.

Times Tables

Please continue to work on practising times tables with your child at home.

Mrs.Ewings, Mr. Richards,
Mrs Mees and Mr Lapton
