

Croeso nol! Our first week back has been an exciting and busy one indeed. Our classes have enjoyed their time with their new teachers, friends and beginning to get used to any new routines. We were all very pleased on Tuesday to see children return to school ready for a term full of learning, fun and activity. Children have been busy starting new topics and texts in classes, while particularly enjoying sharing their Summer holiday news. We also welcomed new nursery children and we are exceptionally pleased with how they have joined our school, settled into new routines and begun to make new friends.

Each Tuesday we have a 'News' assembly in which we aim to discuss appropriate local, national and world news reports. We also encourage children to bring to school any certificates and awards that they have received for achievements out of school. It is important that we celebrate and are aware of these skills and talents and we look forward to sharing these in school.

Dosb. Hafren - Daniel

Dosb. Caerffili - Arianwen

**Our Right of the fortnight is:
Article 15**

**Your right to meet with friends
and join groups and clubs.**

School Contact

If you need to contact us please use our school email address of ddraig@valeofglamorgan.gov.uk or phone number, 01446 792368 alternatively, please call into the school office.

There will be forthcoming Parent Governor Elections this month. In light of this, the following statement has been updated on the school's privacy policy. You are able to access the updated version of our privacy policy via our website, alternatively you may request a hard copy from the office.

The school has decided to conduct the process of parent governor elections electronically for efficiency reasons. This process requires that we provide the Governor Support Unit (GSU) of the local authority with all our parental email addresses. If you do not wish your email address to be shared with the GSU you must notify us to that effect.

The GSU will only use your email address for the purpose of parent governor elections and will not share it with anyone else. Once the election process is concluded all information relating to parental email addresses will be deleted.

All parents who do not have an email address or do not wish their email address to be shared with the GSU will receive all communications relating to the parent governor election process via hard copy.

Please follow the attached link to our website to access all class newsletters and home learning

Important Allergy Information

We would like to remind parents that we have a number of children in school with a nut allergy. Please be aware of this when choosing what items your child brings into school for lunch and avoid any nut products as much as possible.

We also have a child in our school with a severe anaphylactic allergy to dog hair and dog saliva. Though we cannot eliminate all risk we do ask that parents and children are mindful of contact with dogs and adhere to safe handwashing procedures before school.

Thank you for your understanding and co-operation.
