

This week, Key Stage 2 enjoyed a fabulous Sports day! The sun was shining until the end of the morning. A very big well done to all those who participated. Miss Grafton's excellent organisation and planning was evident in the enjoyment of all. Our Foundation Phase Sports day will be on Thursday 4th July, fingers crossed for another dry and sunny day!

**That parents should always think  
about what is best for their child**

Our Year 6 children resumed their roles as Junior PCSOs and went out on patrol on Ham Lane East with PCSO Cummings and PC Williams. Road safety is paramount to the safety of everyone. Thank to everyone who parks safely and responsibly around our school.

Year 6 completed a week of swimming lessons at Llantwit Major Leisure Centre. Year 5 start a programme of swimming next week.

Key Stage 2 classes have completed the Children's Commissioner of Wales', Special Mission this week. The survey will help us to find out how children experience their rights. We look forward to seeing the results.

Dosbarth Ogwr visited Cefn Mably Farm today as part of their 'Do Cows drink milk?' topic. They spent the day walking around the farm and talking about the different farm animals they saw, handling some small animals with care and meeting the farmers who worked there.

We have had some warmer weather the last couple of weeks, we ask that children are 'sun safe' and apply sun cream for the school day and bring a sun hat. Children are welcome to bring water for the day to keep themselves hydrated.

## Sports Day

We have had a very successful KS2 Sports Day and are very much looking forward to our Foundation Phase Sports Days coming soon. FP children are invited to wear their PE kit or their team colours to school. Please ensure that all children are wearing appropriate running shoes. If the weather is warm, children will need suncream and a hat - please also provide a raincoat as the weather is very changeable at the moment! Children must have a water bottle and any medication needed e.g. asthma pumps.

Our PTA will be selling refreshments and spectators are welcome - a viewing area will be marked out at the events. ***The safety of the children is paramount and we politely request that spectators do not encourage children to go to the viewing area - children must stay with their class teacher for the duration of the sports events and will then return to their classes.***

**Foundation Phase Sports Day** will be held during the afternoon of Thursday 4<sup>th</sup> July on our school field (behind nursery) at 1.45pm and should last about an hour.

**Nursery Sports Day** will be held during the morning of Thursday 4<sup>th</sup> July on our school field (behind nursery) and will start at 10.15am.

A decision will be made as soon as possible on all days if the events need to be cancelled due to inclement weather. Cancelling an event is not a decision that we will take lightly as a school, the most important thing is that conditions are safe for our children to compete. Please check our school Twitter account @ysgolyddraig for updates. We will also use school comms to share any changes to information.

### REMINDER

In order to keep children and their families safe we would like to remind you that scooters and bikes are not to be ridden within the school grounds or through the Comprehensive school's grounds at the beginning and end of each day. Scooters should be walked out and not swung around to prevent risk of injury to others.

We greatly value the relationship we have with the Llantwit Major Learning Community and appreciate the use of the 'Boulevard' via the Comprehensive school enabling our children to walk safely to and from school away from the main road.

We would like to thank you for your continued support.
