It was lovely to see so many of them there – Congratulations on their fabulous performance.

All classes had a chance to visit the travel show.

Annual Reports have been available from class teachers today for collection. In addition to the report, National Test results for Years 2 to 6 have been included in the pack. Please do contact your child's teacher if you would like to discuss the report and/or the results in more detail. We would appreciate it if parents could return the feedback form sent home with reports and welcome any comments on the report format or content that we can take forward into next year. Thank you very much, as always your views are very important to us.
