

This week, Key Stage 2 classes were entertained by the Pandemonium Theatre Company with their production of "Tales from Wales." The children enjoyed staging a Celts and Romans battle and listened intently to the story. Thank you to Pandemonium for another enjoyable session.

Our Year 2 showcased their 'Street Detectives' learning through music and song. What a wonderful way to share their terms work with Opersonic!

Dosbarth Ogwr visited St. Donats Castle to end their topic, 'Will you tell me a story?' The children had a fabulous tour of the grounds. Their favourite part of the day was seeing the king's armour and exploring the castle and its windy steps. It was lovely for the children to visit a real castle after learning all about Kings and Queens. Thank you to the wonderful parent volunteers who joined them for a brilliant afternoon.

Dosbarth Thaw had their 'Show and See' on a wonderfully sunny Wednesday afternoon. Children welcomed their families in to share 'Show and See' activities and learning from this term's 'Memory Box' topic. Thank you to all who were able to join us on the day and help make it such a special time.

We would like to wish Mr Johnson every success in his new job and thank him for all that he has contributed to our school. Pop Lwc Mr Johnson!

Today, we enjoyed an Easter Parade with all children celebrating together. Dosbarth Col-Huw had their very own parade too. Well done to all children who participated in the parade with their Easter creations.

There are, at present, several cases of head lice in our school. The incidence of head lice is a persistent problem. The only answer to this problem is to be patient and vigilant. It is important to treat your child's hair and continue to check the hair morning and evening, on a daily basis. Should you have a daughter with long hair, it is advisable that the hair be tied back during school hours. Head lice medication can be obtained from your GP.

A reminder that there will be no extra curricular clubs on the first week back after the Easter holidays.

We would like to wish everyone a safe and fun Easter break. We look forward to the start of the Summer Term on Monday 29th April. Our new Nursery children will join us on Wednesday 1st May. Monday 6th May is a Bank Holiday.
