

Last Friday we had a very successful Summer Fayre and BBQ. Our choir opened the event and lots of fun was had by all. Fundraising efforts continue to be put towards the construction of an outdoor learning environment for our children.

This week started with our first 'Move Up Monday.' Children met with their new teachers and moved into their new classrooms. Don't forget we have another Move Up Monday on the 16th July!

Our Ysgol y Ddraig choir performed alongside St. Donats Chorale on Monday in our second annual concert together. It was a real treat and our audience were thoroughly entertained.

Our Gardening Club were presented with second and third place certificates for their efforts in the Llantwit Major Town Council Gardening Competition. Well done to all involved and thank you to all family members who have also contributed.

Year 5 and 6 watched a preview of Llantwit Major School's production of 'Anything Goes.' Children very much enjoyed the performance particularly watching past pupils on stage.

Year 6 completed a programme of swimming this week finalising this years swimming lessons for our Year 4 to Year 6 pupils.

Children took part in an Enterprise week this week where they were given £5 and asked to create money-making ideas to 'make their money grow' The week was topped off putting their ideas into reality with a fantastic market day. Children sold food items, played games, had their faces and nails painted, what a wonderful end to the week. All proceeds from the day will be used to develop our outside area and have an end of term treat for the children.

Year 6 took part in a Bowling Competition on Thursday against St Illtyds Primary. Congratulations to the team who won the trophy for the first time as Ysgol y Ddraig. Many thanks to Llantwit Bowling Club for their time developing new skills with the children this year.

All classes from Reception to Year 6 enjoyed an 'Airmazing' workshop led by Techniquet on Thursday. Children learnt all about the air. What the air is, what the air contains, and some of the amazing things that air can do.

We would like to wish Mrs Holloway all of the very best wishes as she starts her maternity leave. It is also Mr Quirke's last day with us today and we wish him lots of success in his next steps in teaching.

Mrs Harriet Maidment will be our Additional Learning Needs Coordinator during the next academic year. In the first instance it is vital that Parents and Carers speak to class teachers about their child's progress. Mrs Maidment will also be available and we encourage Parents to make an appointment if they wish to discuss any questions, concerns or queries. It is important to us that we can work effectively with families to support all children with their progress and development.

Annual reports to Parents have been available for collection since last Friday. Please do come to collect them from class teachers and also return the reply slip. The reply slip will acknowledge receipt of the report, enable parents to express an interest in making an appointment to discuss the report and to share any feedback with the school.

PTA Disco

Next Thursday 19th July is the PTA disco for Foundation Phase and Key Stage 2.

FP from 4.15pm to 5.15pm
KS2 from 5.30pm to 6.30pm

£1 entry, refreshments available

Any parent support to run stalls would be greatly appreciated.

We would also like to remind parents that all children must be collected from school at the end of the disco by an adult known to us. Children will not be permitted to walk home.

We have had some warmer weather recently and ask that children are 'sun safe', that they have had sun cream applied for the school day and bring a sun hat. Children are welcome to bring water for the day to keep themselves hydrated.
