A very big well done to Year 1, 3 and 5 who performed in their Christmas concerts this week. There were many proud family members in every audience, thank you to all of those that supported the children. Congratulations also goes to Years 2, 4 and 6, who led a very special Carol Concert at St. Illtyd's Church on Tuesday evening. The carols and songs were sung with enthusiasm and enjoyment. Many thanks to Father Edwin and all church volunteers who helped make the event possible. The school will be sending a monetary donation from ticket sales to the church as a thank you.

Reception, Year 1 and 2 very much enjoyed a trip to see 'Beauty and the Beast' at the Barry Memorial Hall on Wednesday. Lots of laughter and child participation was involved!

The audience were entertained by our Glee Club and School Choir at the start of the fayre. Roarsome performances from both of these musical groups.

Many children enjoyed a delicious Christmas dinner yesterday. The school meal menu for the Spring Term is available [here](#)

We had a very special delivery during the night on Thursday. All classes received a bag of books to share with every child in our school, Wow- diolch yn fawr to our PTA for their help and support in organising this!

Following from our successful Parent Talks in September, we will be holding Read Write Inc and Mathematics information workshops in January. All family members are welcome. Come along to find out more about how children learn and to discuss ideas that can be used to support at home. Workshops scheduled are on our school diary dates.

A reminder that Monday 7th January is an INSET day. Children return to school on Tuesday 8th January at 8.50am. We look forward to welcoming new Nursery children at 9am on Thursday 9th January. There will be no extra-curricular clubs the first week back in January.

We would like to congratulate our two School Crossing Patrol, Mrs Wilkinson who has won this year's 'Lollipop of the Year' Award and, Mrs A Daw who also won an award for the Western Vale. Congratulations to you both!

Learning Logs will be posted on our YouTube account 'Dragon TV' over the next few weeks. This is an opportunity to see examples of learning within our school.
