

Week Ending:
Friday 4th December

Dosbarth Coch News at Ysgol y Ddraig

Reminders

- Passwords** - All children should have received their passwords today, which they can use to access online learning games/resources at home. Please keep checking on Seesaw regularly for class information and home learning opportunities.
- Christmas Party Lunch/Day** - On Wednesday 16th December children will have the opportunity to order a festive lunch for their dinner. If your child would like to have this, please return the form by Monday 7th December. Also children can wear party/Christmas clothes to school this day, as we will be having a class party.
- Winter Weather** - As the weather is getting colder, we recommend children have warm coats and jumpers/cardigans in school, as they will have outdoor learning opportunities each day. Also, due to us having to keep windows open to allow for ventilation, it can be useful if children have the choice to wear an extra layer of clothing such as their school jumpers/cardigans if they wish.
- Twitter** - Daily photographs and updates on class activities are uploaded to **@ysgolyddraig**. Look out for **#coch** and give us a like.

This week...

We have been working really hard to count in 2s, 5s and 10s. We have been singing some useful songs which can be found on Youtube (please see Seesaw if you would like to revisit these at home!) Also, some of us were introduced to the multiplication symbol to solve times table questions. Some of us continued to learn about adding and subtracting and worked hard to spot the different signs in our number sentences.

In literacy, we have written letters to Father Christmas. We had to use our Fred fingers to sound out, remember finger spaces AND capital letters/full stops. We think he will be really impressed with how much our writing has improved this year already!

On our enrichment day we started to plan for our very own lantern parade. We created different designs for our lantern and chose which one we liked the best. We used our results from our science experiment to choose which materials we would use to make the lantern. We chose tissue paper as it is translucent!

Have a lovely and relaxing weekend.

See you all on Monday.

Miss Cogbill (Class teacher) and Miss Blannin (Class LSA).
