

Home Learning AUTUMN 2020

Dosbarth Caerdydd a Dosbarth Teifi
Friday 27th November, 2020

This week we have been...

- Using a variety of strategies to multiply: $\times 20$ by doubling and multiplying by 10; $\times 25$ by multiplying by 100 and dividing by 4; $\times 9$ by multiplying by 10 and subtracting the number being multiplied.
- Solving reasoning problems using doubling and finding totals.
- Exploring dilemmas and consequences.
- Planning and developing our sentences and ideas to write a diary entry.
- Looking at different viewpoints.
- Baking bread, weaving and creating mediaeval games
- Identifying ways to develop our growth mindset and creating inspirational quotes.
- Watching a theatre performance by the Barry Memorial Arts Centre via Zoom - The First Three Drops.

ENRICHMENT DAY

Next week, we are going to be starting something very exciting!!

We cannot tell you the details BUT we do need every child to bring a small/half size baked bean tin can (empty and washed) to school before next Wednesday.

- All children have accessed their new Google Classroom page.. The class code is **qpk5345**. Every child has been given a copy of their relevant passwords to keep at home for online access should the need arise.
- **Important information-** from now, if your child has to self- isolate, they will be expected to access and complete learning provided using Google classroom accounts. A 9 grid of activities will be allocated.

HOME LEARNING

Confident recall of multiplication facts will really support your child's learning in number this year.

We will be working on the 6 times table and quick recall of the times table facts next week.

P.E days are a **Monday** and **Thursday**.

For the time being, your child is expected to come to school in appropriate clothing and footwear so that they can take part in P.E activities without the need to change clothes.

PE should only be a school tshirt / top and joggers - not own clothes day.

We appreciate your support in ensuring this happens so that **ALL** children can participate safely. As always, we are here to help and support, so please feel free to contact us via the office if you need to.

Enjoy the weekend !

Mrs Crowther, Miss Whelan and Mrs Edwards.
