

SeeSaw Passwords (FP)

Please note that all children in Reception through to Year 2 children will receive a new password for their SeeSaw Home Learning accounts by the end of next week. The password will be sent to parents via email.

Class newsletters will then be available through SeeSaw from next Friday and on the website for Key Stage 2 families.

Bike to School Week 28th September to 2 October

We would like to encourage you to take part by cycling to school if you are able. Cycling to school is a healthy alternative to car journeys and is has been proven to improve students' behaviour and concentration. Not to mention the safety and parking issues at the school gate.

As pupils return to school following lockdown, active travel is more important than ever to help pupils get to school safely and healthily. We have bike racks available for bikes to be stored safely during the school day.

Flu Vaccinations

All children in Reception to Year 6 will be offered a nasal spray flu vaccine this term. The school nursing team will be visiting our school on **Friday, 9th October** and completing vaccines during the school day.

Consent forms have been sent home with your children today, please read, complete and return as soon as possible.

If we don't receive a completed form your child will not be able to have the vaccine.

Breakfast Club Provision

Please note we have limited capacity every week for our breakfast club provision and are fully booked for next week. If you require a future space for your child please email the school office at

ddraig@valeofglamorgan.gov.uk before 12pm every Friday for the following week. We will confirm your space or place on our waiting list by email each week.

September 2020

Dear parent or guardian,

Help keep your child well this winter – make sure they have their flu vaccine

The school nursing immunisation team will visit school to offer a nasal spray flu vaccine to all the children on

09/10/2020.

All children of primary-school age are eligible and should have an Influenza (flu) vaccination every year.

If you have already completed a consent form this will be available at the session. Please request a form from the school if you have mislaid your child's consent form. We will not be able to immunise your child unless the consent is available. Please return the consent form as soon as possible whether positive or negative.

The immunisation team have completed a detailed risk assessment and will follow the current guidance around social distancing and the use of personal protective equipment (PPE).

Thank you
